## FAQ

### Q. How To Guarantee The Quality Of Your Goods?

The company has an independent inspection operation process. Before production, it will conduct verification and inspection based on samples. After there is no problem, it [Net Cloth wholesale](#) will conduct random inspections in accordance with international standards during the mass production process, or conduct full inspections for special products. And make a written record of each sampling result, as well as the responsible person.

### Q. What' S The Payment Term?

When the product is quoted, we will confirm the transaction method with you, FOB, CIF, CNF or other methods. When mass production, we usually pay 30% advance payment first, and then pay the balance after seeing the bill of lading. Most of our payment methods are T/T, of course, L/C can also be accepted.

### Q. How To Deliver The Goods To Us?

We usually ship by sea, and Shanghai and Ningbo ports are relatively close to us. Of course, if the customer's cargo is [Air Layer Fabric Wholesale](#) urgent, we can also transport it by air. Xiaoshan Airport is about 30 kilometers away from us.

### Q. Where Are Your Products Mainly Exported To?

Our products are mainly exported to dozens of countries such as the United States, Germany, Japan, Spain, Italy, Britain, South Korea, Australia, Canada and so on.
